

# **The Open Call for the presentation of completed candidate projects for ARCHMARATHON 2019 will be active from May 27<sup>th</sup> to June 23<sup>rd</sup>.**

## **Rules for participation:**

- All projects submitted must have been completed between October 2017 and October 2019. Precise checks will be carried out regarding the exact year of the end of construction, therefore you are invited not to submit projects completed outside this time window because they will not be taken into consideration.
  - Only architectural firms currently active in Canada, the USA, Central and Latin America will be permitted to enter the Open Call. The projects themselves must be located in Canada, the USA, Central and Latin America.
  - it is possible to submit more than one project both in the same category and in different categories.
  - the submission of projects is free and does NOT include the payment of any registration fee
  - the results of the open call will be communicated to all participants via e-mail by 6<sup>th</sup> July 2019. It is therefore essential to make sure that a correct e-mail address is indicated when applying.
  - Any projects that do not meet the above conditions will automatically and unchallengeably be excluded from consideration by the Jury.
  - architects and interior designers whose projects are selected will be asked to sign the engagement agreement requiring them to attend the full Archmarathon event programme that will take place from 7<sup>th</sup> to 9<sup>th</sup> November in Miami; in addition they must guarantee their presence at the Gala Dinner Award Ceremony to be held on the evening of November 9<sup>th</sup>.
  - the costs of the stay will be borne by the organization.
  - There will be an Award for best project in each category. The 16 winners of the single category Awards will be included in a special edition of Platform magazine, which will be distributed both on the American and the European market; the winners will also be invited to participate in an event organized by Platform in Italy in 2020.
  - An Overall Award is planned for the Architecture macro category and the Interior design macro category. The 2 Overall Award winners will feature on the cover of one of the dedicated Platform USA issues to be distributed on the American market in 2020; in addition they will also be invited to take part in the 2020 Milan Design Week hosted by Platform.
